

WA. Fish & Wildlife Police

Natural Resource Trafficking

A Global Problem

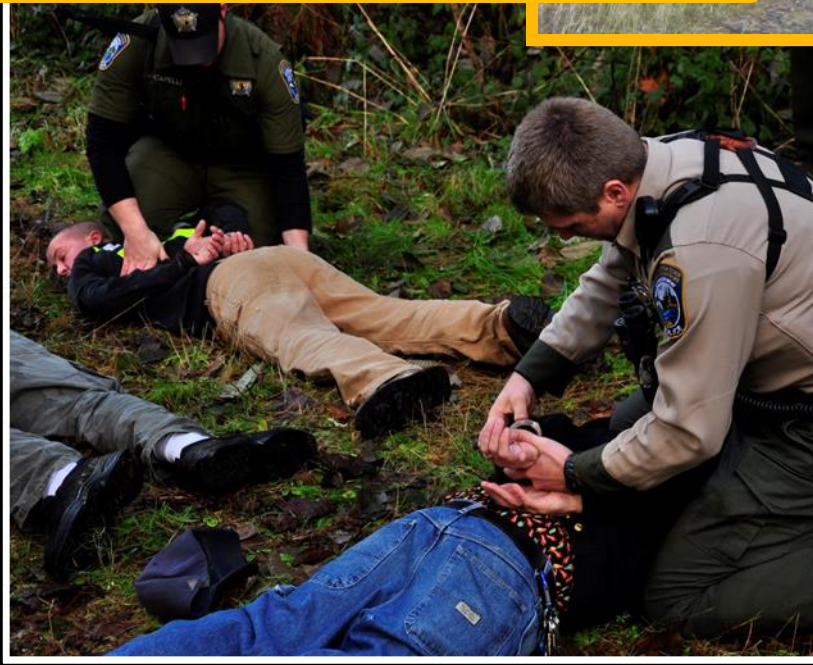

Presented By:

MIKE CENCI, DEPUTY CHIEF

WHO WE ARE

Local Species

- Old Growth Timber
- Maple Wood
- Cedar
- Other specialized forest products

I-1401 / IUU

Enforcement Challenges

- Centralization of Intelligence
- Regulatory / Jurisdictional complexity
- One bite at the apple

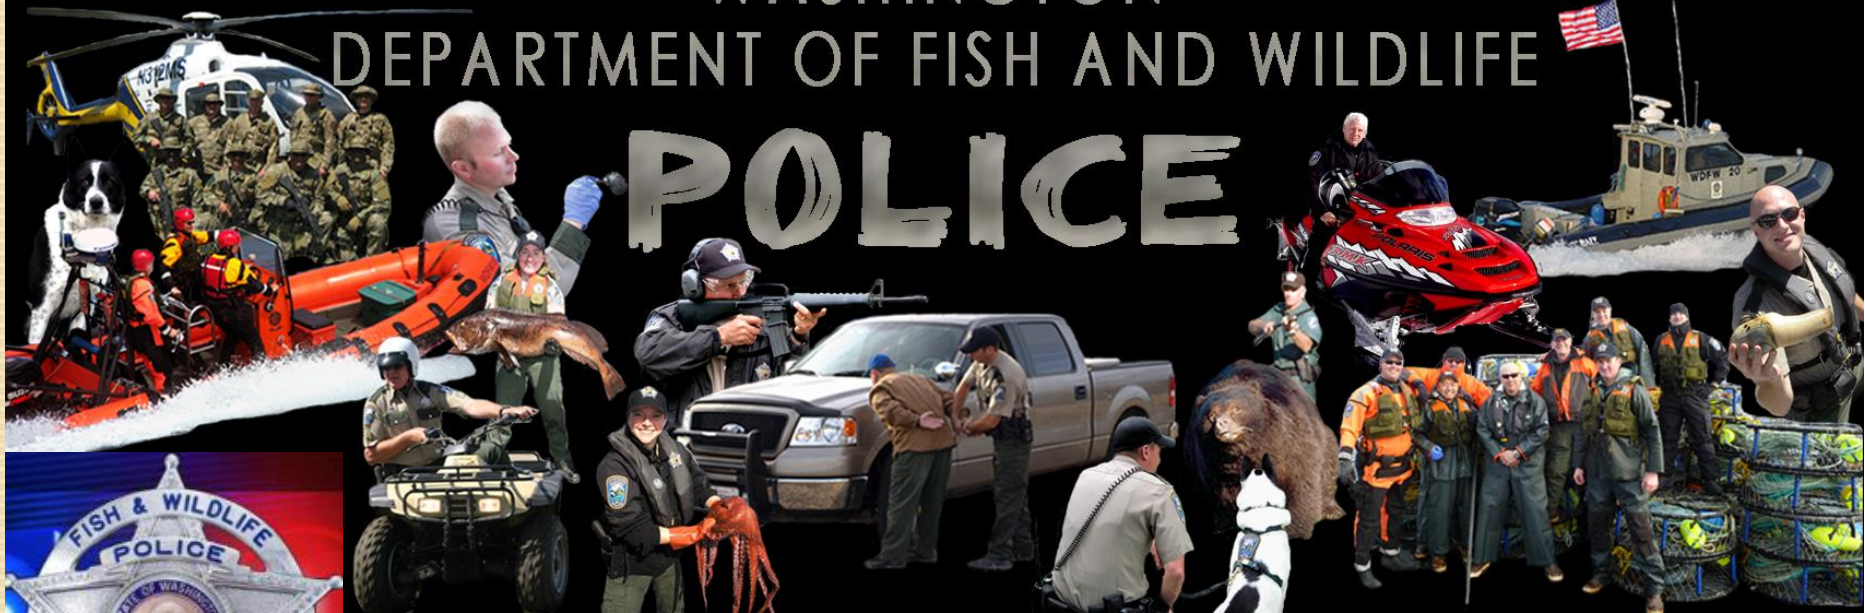

PARTNERSHIPS

Tool Development

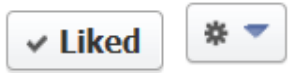

- Requires law enforcement input
- Necessary to understand the level of cause required for a seizure
- Has to be available & affordable
