RAINFOREST ALLIANCE

7 Nov 2023

Fairtrade producers set to expand deforestation monitoring through new partnership with Satelligence

Programme prioritises producer access to satellite monitoring data to boost forest protection and meet EU regulations

NEWS

INTRODUCING PRISMA: RSPO'S CERTIFICATION, TRADE AND TRACEABILITY SYSTEM FOR SUSTAINABLE PALM OIL MANAGEMENT

22 FEBRUARY 2024

4C joined forces with GRAS to support your company with these requirements for compliance with the EUDR

Supporting deforestation-free supply chains

How sustainability systems are adapting to meet stakeholder needs

- › Aligning definitions and normative requirements
- › Strengthening geolocation collection, verification and responsible data sharing
- › Developing and sharing consistent risk data and assessments
- › Enhancing digital Chain of Custody (CoC) and traceability solutions

Hybrid Community Based Monitoring System (HCMS)

Supporting community-led monitoring – Sui Landscape, Northern Ghana

Partnership with Sefwi Landscape Management Board

Monitoring system consists of:

1. Mobile app to track tree registration, seedling distribution and training attendance
2. Data hub and reporting dashboard for Landscape Management Board
3. Land Use Land Cover (LULC) tool to monitor land use change

Collective action is underpinned by...

**Standardized, shared DATA,
INFORMATION and KNOWLEDGE**

Findable
Accessible
Inter-operable
Re-usable

ISEAL Core Metadata set

Information and Data Standard for Sustainability (IDSS) project (2019 – 2022)

Provide a standard **'language'** and guidance for sust. systems to better describe their data, information, knowledge ...

Make sustainability information accessible, discoverable, applicable, relevant and connected

Demonstrate the value of 'open' data

capture common sustainability elements across sustainability systems

The benefits of digital public infrastructure

Enabling partnership-powered solutions to address critical sustainability issues

- › Industry convergence
- › Silos elimination
- › Reinforcing synergies between initiatives
